

BAJA CATINO LEAGUE 2020 RULES

Preface: In order to clarify and govern the conduct of Catino League play, this addendum is published. BAJA has and will continue to follow USA rules for the 2020 season. Any rule not contained in this addendum will be ruled in accordance with the 2019 USA Rulebook. BAJA exceptions to the 2019 USA rulebook are as follows:

A. Playing Fields:

1. **Dimensions:** Our fields meet the specifications of a USA field other than our 275-ft. fence distance.
2. **Batting Mats:** The artificial turf mats purchased will be used as batter's boxes for all games.
3. **Batter's Box:** The batter's boxes marked on the mats are not USA dimensions. BAJA will use the established box dimensions on the mats. A batter will be considered out of the batter's box and therefore called out when a foot is on the ground and completely off the mat or completely over the interior/exterior white lines when the ball is struck.
4. **Alternate Bases:** Alternate bases will be used at both first base and home plate.
 - a. **First Base:** A batter will be called out if there is a play at first base and he fails to run to the Alternate base. The Alternate base will be placed 2 ft. outside first base and even with the 2nd baseline.
 - b. **Home:** BAJA will use a home line during the games. A line is placed in line with the front left corner of home plate extending to the 3rd base side fence and parallel to the first base line. This line will represent home plate. This line will be used at all times. A runner must have a foot in contact with the ground on or beyond the line prior to the catcher touching home plate in order to score. If a player running home touches the home plate on the mat, he/she will be called out and the run does not count. The catcher must be touching the original home plate and catch the ball before the runner touches the line to make an out. Under no circumstances is the catcher to tag the runner once the runner has crossed the "Commitment Line" between 3rd and Home.
 - c. **Run by rule 2ND / 3RD base:** A line will extend out in both directions from the leading edge of 2ND base. The runner is responsible for avoiding a collision and may cross the line or run to the base. The runner will be safe if the line is crossed and the runner's foot is on the ground before the player with the ball touches the base (like a Force out). A runner must touch the base before advancing.
 - 1) If an outfielder or infielder is throwing to that base, the runner has the option of running past the bag on either side of the bag to avoid the fielder's attempt to catch the ball and to keep from getting hit by the ball.
 - 2) At 3RD base, the left field foul line will serve as the line to cross.
5. **Base Distance:** Bases will be 65 ft. apart versus the current USA standard of 70 ft.
6. **Outfield:** Cones will be placed 160 ft. from home plate across the entire outfield. At the time of the pitch, the four Outfielders are NOT permitted to be between that line and home plate until the ball is hit. Violation of this rule will result in the batter/runner being awarded one base and all forced runners will move forward accordingly.

BAJA CATINO LEAGUE 2020 RULES

B. Equipment:

- 1. Ball:** BAJA will not use the current approved USA softball. Instead we will continue to use the 44/375 ball for male batters under 75 years of age. Women, and men whose 75th birthday occurs in or before 2019, will use the 47/450 (blue thread) ball.
- 2. Bats:** Bats that are banned by USA are automatically banned from the League. Bats with cracks, flat spots, rattles etc. will not be used. EXCEPTION: Women, and men whose 65th birthday occurs in or before 2019, may use any bat in proper condition. Use of illegal bats: First offense will result in batter being called out; second offense in same game will result in batter ejection. Further offenses will be dealt with by the commissioner and could result in a suspension.
- 3. Gloves:** There are no glove restrictions.
- 4. Pitching Screen:** A pitching screen will be used in all Catino League games. The screen will be set in its proper place prior to the start of the games by the grounds crew. Once set, the screen must remain in said location throughout the entirety of the game. Any batted ball that hits any part of the screen will be ruled a DEAD BALL. A live ball thrown by any player on defense that hits any part of the pitching screen is considered a live ball and is in play.
- 5. Pitcher Face Mask:** An USA/SSUSA approved face mask is recommended, for pitchers when on the mound.

C. Rosters/Lineup:

- 1. Accountability:** Managers are responsible for the Roster and Lineup. Failure to comply with the rules set forth will result in forfeiture of that game whether appealed by the opposing manager or not.
- 2. Playing Time:** All players will play in the field a minimum of 7 innings per double-header. Occupying the Designated Hitter slot will count as 4 innings of field play. Failure to have a player play seven innings, barring injury, emergency, or shortened game, will result in forfeiture of the second game only. Tournament Play: Each player is to play a minimum of three (3) innings per game.
- 3. Designated Hitter (DH):** Prior to the game, managers may designate one player to be named the DH as long as there are 12 players present. The manager may designate two players when 14 or more players are present. Players not starting a game defensively will be listed as designated hitters. They may enter the game defensively anytime at the discretion of the manager. A Player may be listed as DH in only one game of a double header. Careful attention needs to be paid to the seven innings per double header. No player may be designated a DH in consecutive games.
- 4. Injured Player:** If a player is injured during the game and cannot continue or has to leave the game for ANY legitimate reason, he/she is simply removed from the lineup without any penalty. If this causes the lineup to drop below 9 players, the Forfeit Rule (see 6 below) applies.

BAJA CATINO LEAGUE 2020 RULES

5. **Forfeit Rule:** Teams with only eight players in the batting lineup will forfeit. A short-handed team (9 or 10 players) may elect, but is not required to, borrow a catcher. Any BAJA League softball player may catch. The borrowed catcher will not be placed in the batting lineup and will only play that position.

6. **Waivers:** MANAGERS MAY NOT WAIVE any RULES! If a forfeit situation occurs, scores of 7 to 0 will be recorded for league standings. Managers may agree to use the field time to play a pick-up game or scrimmage. These pick-up games will have no effect on league standings.

D. **Player Pool/Substitutes:** We WILL ATTEMPT to create a Player Pool of replacement players to fill gaps in a team's roster. If a roster drops below 10 players, a manager may request from the Commissioner a Pool Player for **that day only**. Re-assignment for additional days may be made if deemed necessary. At the end of day, the pool player will return to the player pool. Assignment of pool players by the commissioner will be made as equitable as possible, since, in effect, he/she will be replacing multiple players. **Permanent pool replacements will be made only under very extenuating circumstances.**

D. Conduct of Play:

1. **Time Limit:** Double Headers will begin at 9:30 a.m. and 12:30 p.m. If no extra innings occur, no inning will be started after 12:15 p.m. The last inning starting prior to 12:15 p.m. will be announced as an "open inning" by the umpire. If a tie exists after the open inning, USA rules will be used, and games will be played until there is a winner. Time limit and field conditions (the sun) will determine how many extra innings can be played.

2. **Playing the Field:** Managers will play 11 players in the field. How that player is utilized is the manager's discretion.

3. **Batting:** A batter, before entering the batter's box, will announce to the pitcher which ball he/she is eligible for. If the wrong ball is put into play, the play will stand, and the game will move on.

4. **Batting Count:** All players will begin each at bat with a 1 ball and 1 strike count.

5. **Pitching:** Pitches will be within current USA Slow Pitch standards. Pitches will be thrown from the rubber over the top of the pitching screen. If the pitch hits the screen or is not pitched over the screen, the pitch will be called a ball.

6. **Warm-ups:** At the start of the game, a pitcher is given five warm-up pitches. Each infielder may take 2 balls from the first baseman. Between innings, pitchers get one pitch and fielders NO throws. A pitcher in relief may elect to be given 5 warm-up pitches, unless this pitcher is re-entering game, then he/she gets but two pitches. A fielder in relief gets 2 throws.

7. **Slow Play:** Umpires will be encouraged to keep the games moving. Conferences whether offensive or defensive will be kept at a minimum and will not exceed USA rules. Umpires, at their discretion will issue balls or strikes as appropriate.

8. **Courtesy Runners:** There will be NO courtesy runners from home. Instead, if the batted ball touches the grass, that batter is safely awarded first base. All other runners are subject to the normal rules of softball

BAJA CATINO LEAGUE 2020 RULES

9. **COURTESY RUNNERS:** Other rules regarding Courtesy Runners are:

- a. A Courtesy Runner may only run once per inning.
- b. A Courtesy Runner may not be granted a Courtesy Runner. Exception: when a courtesy runners time at bat comes while he/she is on base.
- c. If a Courtesy Runner is on base when he or she is on deck, the Courtesy Runner will be removed from the base, a replacement runner will be placed on base, and the Courtesy Runner will bat his turn without penalty.
- d. The D/H may serve as a courtesy runner.

10. **Flip-Flop Rule:** The flip-flop rule will be invoked in any game when there is a 5-run differential in favor of the visiting team at the start of the “open inning”. If the visiting is ahead by 5 or more runs, the home team starts the open inning at bat. If the home team fails to tie or go ahead, the game ends and the visiting team wins. If the home team ties or goes ahead, the visiting team takes its turn at bat.

11. **Mercy Rule:** If a team is behind by 12 or more runs at any time after 5 full at bats have been completed, the game ends and shall be declared a complete regulation game.

12. **High Wind Situations:** Managers must consult with the umpire prior to or during any game where high winds are present, to not call balls, cancel or stop play.

13. **Official Protests/Appeals:** Only a manager may question a ruling made by an umpire. Non- managers protesting decisions are subject to immediate ejection. Notification of an official protest or appeal must be made to the umpire as per ASA rules. Appeals will be adjudicated immediately by the umpire. It will be the umpire’s responsibility to notify the Commissioner or Deputy Commissioner of the protest for adjudication. The Commissioner or Deputy Commissioner will reclude themselves in any situation that may be perceived as a conflict of interest for them.

14. **Unsportsmanlike Conduct:** The umpire is authorized at their discretion to warn or eject any player who exhibits bad conduct or use of foul language. An ejected player must leave the area immediately. This ejection is for this game only, unless the commissioner deems the players behavior to be excessive. The Commissioner reserves the right to impose a more serious penalty. This overruling includes, but is not limited to, ejecting a player with habitual misconduct for additional games. Any fan exhibiting bad conduct will be reported to the Commissioner for resolution.

15. **Umpire Selection.** During the season, including the tournament, any person who attends the BAJA Umpire Clinic or is a certified USA umpire may umpire a game. Umpires will be assigned games by the Chief Umpire. Managers may NOT waive these assignments. During the End of Season Tourney, the Commissioner and Chief Umpire will assign umpires.

16. **Scoring:** Managers may designate anyone their scorekeeper. The home team book will be the official book for that game. If the home team cannot keep a complete scoring record for both teams, the visiting team’s book will become the official book if it maintains a complete scoring record. If neither team can keep a complete scoring record, the umpire is the official scorer. He may consult with either or both books at his discretion.

17. **Rain outs/Make-up Games:** No regular season game will be made up if cancelled. If at the end of the regular season, a tie for first place in the standings exists, a one game play-off will be played on the first day of the Tournament between the tied teams. The winner will be declared season winner and first seed for the tournament. If ties exist at the

BAJA CATINO LEAGUE 2020 RULES

season's end for position other than first, a coin flip will be used to determine tournament seeding.

18. **Manager Selection:** During the summer and fall leading up to the season, the Commissioner will select the Managers for the leagues. Managers will be required to attend a brief Manager's Clinic to review rules, guidelines and tips for managing.

19. **Waiver:** Except where specifically stated, **NO USA OR BAJA RULE IN AFFECT WILL BE WAIVED WITHOUT CONSULTATION WITH THE COMMISSIONER.**

E. Special Policies:

1. **Pet Policy:** Any pet belonging to a player that enters the dugout or playing field during or after the game will receive a warning. The second offense will result in a one game suspension.

2. **Smoking Policy:** No smoking is allowed within 30ft of the playing field.

ZERO TOLERANCE: ANYONE EXHIBITING UNSPORTSMANLIKE BEHAVIOR WILL BE EJECTED FROM THE GAME. CONTINUED SUCH BEHAVIOR AFTER THE EJECTION, COULD RESULT IN THE TEAM HAVING TO FORFEIT THE GAME.
